Water

https://www.farmingtonmn.gov/government/departments/Finance/utility_bill_information

Farmington residents and businesses are billed quarterly for utilities, which include water, storm water, sanitary sewer, and streetlight. If you have questions about utility billing or need to set up services, contact Utility Billing at 651-280-6883.

You may pay your bill electronically with electronic check or debit/credit card 24/7. You will need to have both your account and customer number, which you will find on your billing statement.

Cable/TV

Garbage/Recycling

The City of Farmington has a one-hauler system for recycling & trash collection. City code requires that all residential and commercial properties must use the city's current hauler, Dick's Sanitation, Inc. (DSI). To set up service, please visit [Dick's Sanitation website](#), call DSI at 952-469-2239 or email them at 3460cityoffarmington@dickssanitation.com.
