

## Utility Providers – Whispering Waters

### Natural Gas

CenterPointe Energy  
800 LaSalle Avenue  
Minneapolis, MN 55459-0038  
612-372-4727  
Gas Leak Hotline 612-372-5050 or 800-722-9326

### Electric

Shakopee Public Utilities  
952-445-1988  
[customerservice@shakopeeutilities.com](mailto:customerservice@shakopeeutilities.com)  
255 Sarazin St.  
Shakopee MN 55379

### Water

Water and electric services within the city are municipally owned and independently operated by Shakopee Public Utilities. The Shakopee Public Utilities Commission hires its own employees, sets its own budget, adopts rules and regulations and fixes rates for water and electric services.

The city owns and operates the sanitary sewer collection system. Collected wastewater is conveyed to the Metropolitan Council Environmental Service's Blue Lake Treatment Plant where it is treated and discharged. Sewer rates are set by the City Council and reflect the costs of operating and maintaining the collection system, as well as the charges imposed by the Metropolitan Council for treatment. Billing and collection for sanitary sewer services are handled by Shakopee Public Utilities on the same statement as water and electrical charges.

## **Cable/TV**

The city has a franchise agreement with one cable television provider:

Comcast

800-266-2278

[www.comcast.com](http://www.comcast.com)

\*Additional television, Internet and cable providers may be available in your location or via satellite.

## **Garbage/Recycling**

The city contracts with Dick's Sanitation Inc. to provide residential garbage, yard waste and recycling services. For more information, visit the Garbage & Recycling page.
